Since 1997, we've grown into a leading consulting firm with over 600 professionals strategically located across the United States, as well as in Mexico and Great Britain. Our global presence allows us to respond quickly and efficiently to property damage events of any scale, wherever they occur.

Our experienced building consultants bring strong industry knowledge and technical skill to every assignment. We provide detailed damage assessments, scoping, cost estimation, and project clerking for a wide range of property types—from residential and commercial to industrial and institutional—affected by hurricanes, fires, floods, explosions, and more. Alongside our core services, we offer specialized support including contents evaluation, delay analysis, fire and explosion investigations, invoice auditing, builder's risk consulting, and appraisal assistance. With a multidisciplinary approach and dedication to quality, YA remains a trusted partner to insurers, delivering clarity and efficiency throughout the claims process.
